## ABOUT THE TRINITY TREK

## SOME FAQ'S...

### WHO IS WESTAID?

WestAid is a primary provider of emergency food for families in West Fort Worth. In 2013, over 16,000 individuals were served.

WestAid's service demographic is the working poor in West Fort Worth. These are service industry employees, waiters, lawn care workers, day laborers and others who make minimum wages.

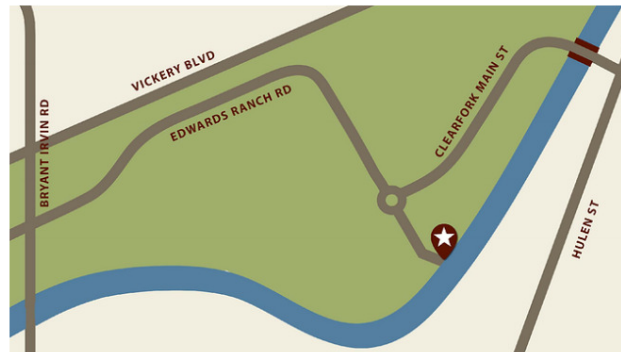

Families seek help often due to a temporary difficulty. These can be job loss, theft of resources, illness, or other short-term crises.

These individuals must show proof of residency in the zip codes of service and can receive assistance once every 90 days.

You can learn more, find out how to volunteer and hear powerful stories about WestAid's work by visiting [www.westaid.org](http://www.westaid.org).

The Trinity Trek 5K and 1 Mile run is the primary fundraiser event for WestAid. In 2013 this event drew over 225 runners and raised over \$20,000 for the ministry.

We are excited about our new location for 2014. The Heart of the Ranch-Clearfork Trailhead is part of the exciting new Edwards Ranch development. We are grateful for their Presenting Sponsorship by providing the location free of charge!

This location is directly in the heart of WestAid's service area as well providing access for a beautiful, flat, and fast course on the Trinity Trails. We hope you will join in sponsoring this great event.

### Where is the run?
